

# India Market - Momentum for Growth in the New Decade

## ISAVISION SUMMIT

feb 1 & 2 2010

Hotel Taj West End • Bangalore

India has the immense potential to be a global leader in the area of semiconductors and electronics systems. The electronics industry is the driver of several global economies. Backed by innovative government policies, the industry is soon to witness major steps forward.

ISA announces the VISION SUMMIT 2010. The theme is "India Market- Momentum for Growth in the New Decade". The two day conference is for business leaders, policy makers and thought influencers to confer on topics that will make it happen.

Enrol today and enjoy two full days of knowledge sharing and networking.
