

VIDEO CASSETTES ON PCB MANUFACTURE – Released by IPC, USA

Details:

Subject Duration

(minutes)

1. Double sided Board Manufacturing 16
2. Multilayer Overview 21
3. Artwork handling 20
4. Inspection of Laminates 12
5. PWB Drilling 13
6. PWB Deburring 15
7. Electroless copper 17
8. Imaging–Screen Print 15
9. Imaging–Dryfilm 15
10. PWB Pattern plating 12
11. PWB Resist Stripping 12
12. PWB Etching 18
13. Solder mask Screen Print 15
14. Solder Mask Dry film 16
15. PWB Fusing, soldering, coating and levelling 16
16. PWB Blanking and routing 16
17. PWB Dimensional inspection 18
18. PWB Inspection – It's every one's job 17
19. PWB Handling 8
20. Packing/Shipment & Storage of PWBs 14
21. Surface mount technology 22
